

Coronavirus Vaccine

Protect yourself and others by getting the COVID-19 vaccine when it is your turn

1 Staff will tell you about the vaccine

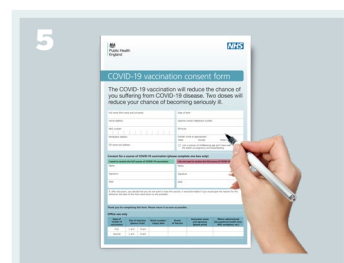

2 They will give you a date and time

3 You will get your vaccine on the ward

4 Talk to staff about any worries you have

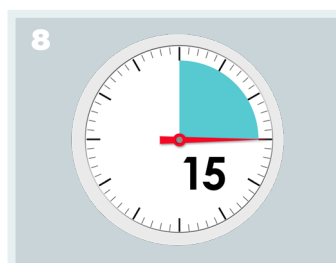

5 Sign the consent form if you agree to be vaccinated

6 The injection will be in your arm

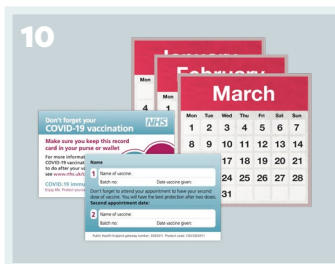

7 It will be over quickly

8 Wait 15 minutes to make sure you don't have a bad reaction

9 Staff will keep checking up on you on the ward

10 They will book your next appointment for about 12 weeks time

11 If you are sent home you can have your second dose in the community

12 It takes a few weeks for the vaccine to protect you - keep safe

Remember - It takes two doses to be fully protected
